

The Hextile Project

template sheet

1. Print this sheet as A4 size pdf and cut out these two templates

2. Use the large hex as a template to draw around or pin to fabric to cut out a fabric hex

3. Put the small paper hex inside (as neatly in the middle as you can), fold the big hex around it, and iron the seams down flat

4. Embroider or decorate your hex however you like to show your own unique representation of what maths means to you. You can also leave it plain if you want!

5. Repeat as many times as you like (you can even sew seven together to make a megahex!) and then pop

in the post to :

@honeypisquared

PO Box 96, Bury St Edmunds, IP28 9BZ

Cut here and include this info in the envelope if you want your name on the finished piece!

YOUR NAME AS YOU WOULD LIKE IT TO APPEAR ON THE ARTWORK:

WHAT DOES YOUR HEX REPRESENT?
